

For more information, visit CPSC's Safe Sleep – Cribs and Infant Products Safety Education Center: cpsc.gov/safesleep

Report unsafe products: SaferProducts.gov (800) 638-2772 or (301) 595-7054 (for deaf or hard of hearing individuals and/or individuals with speech and language disorders)

Whether at Home or Traveling for the Holidays, Make Sure Baby Has a Safe Sleep Space

ON AVERAGE THERE ARE ABOUT

100

infant deaths in unsafe sleep environments

involving nursery products annually.

SAFETY TIPS

- Use a crib, bassinet or play yard that meets current federal standards
- **Bare Is Best**– Nothing but a fitted sheet in a crib, bassinet or play yard
- **Always place baby on back**
- **Check for recalls** on nursery products at SaferProducts.gov
