

LIST OF TESTING LABORATORIES (Mattress Open-Flame Testing)

The U.S. Consumer Product Safety Commission (CPSC) staff is aware of the following laboratories that have stated they can test mattress sets according to the testing procedures specified in 16 CFR Part 1633, the *Standard for the Flammability (Open-Flame) of Mattress Sets*. Unless otherwise noted, these laboratories also represent that they have the capability to test in accordance with 16 CFR Part 1632, the *Standard for the Flammability of Mattresses and Mattress Pads*. The CPSC does not approve, certify, or endorse these testing laboratories.
