

Nearly **400** children younger than 15 drown in pools and spas every year in the U.S. **More than 300** of these children are **younger than 5**.

11- and 12-year-old African Americans drown **10 times more often** than their Caucasian classmates.*

You can help reduce these child drownings and entrapments in pools and spas. Contact CPSC's **Community Outreach Resource (COR) Team** to learn how to **Pool Safely**.

Awareness and prevention are vital to keeping children safer in and near pools and spas. With your help, we can make every community safer.
