**MEMORANDUM AND ORDER OF PRE-HEARING CONFERENCE AND  
AMENDED SCHEDULING ORDER**

The undersigned convened an impromptu prehearing teleconference in the above captioned case as requested by the parties. Although the undersigned recently granted the parties' request for an extension of all deadlines in the June 20, 2014 Memorandum and Order of Pre-Hearing Conference, the parties now jointly request an additional three (3) week extension of the remaining deadlines. Because of the joint nature of the request and because extending the deadlines will not prejudice either party or delay the hearing date, the request for a three (3) week extension is **GRANTED**.

The remaining portions of the case shall proceed as follows:

- The hearing shall commence on **Monday, December 1, 2014**, at 10 a.m. Eastern Time, and shall proceed until finished. The hearing shall not convene on Fridays during that period. The hearing shall be at the Agency's hearing room located at 4330 East West Highway, Fourth Floor, Bethesda, Maryland 20814.

- All discovery shall be completed on Friday, August 29, 2014.
- The disclosure of witnesses and documents and other physical exhibits intended to be introduced into evidence shall be served no later than Friday, September 12, 2014.
- Any motions related to the limit of witnesses, particularly to avoid duplicative witnesses, shall be served no later than Friday, September 26, 2014.
- All motions, including motions for summary decision, shall be served on or before Friday, September 26, 2014.
- All pre-hearing briefs shall be served on or before Friday, October 3, 2014.
- All offers of settlement will be considered until Friday, October 10, 2014.
- All requests for the Presiding Officer to issue subpoenas to compel the appearance of witnesses shall be served no later than Friday, October 17, 2014.

**SO ORDERED.**
