CPSC Docket No. 21-2

June 7, 2022

Order Granting Motion to Extend Schedule

The parties renew their joint motion requesting an extension of the time to complete discovery and file summary decision motions. The parties explain the exceptional circumstances justifying the extension, including the voluminous nature of document discovery and the need to substitute an alternative rebuttal expert witness due to health issues. I find good cause to extend to extend the schedule and GRANT the motion. 16 C.F.R. § 1025.31(g).

The revised schedule is as follows:

June 30, 2022: Deadline for expert rebuttal disclosures.

August 19, 2022: Discovery cutoff.

September 16, 2022: Deadline for motions for summary decision.

October 14, 2022: Deadline for oppositions to motions for summary decision.

November 14, 2022: Deadline for replies in support of motions for summary decision.
