Louisville, KY

DATE OF LOG ENTRY: September 3, 1996

SOURCE OF LOG ENTRY: William H. King, Jr., ESEE *Wm King*

CPSC PARTICIPANTS:

William H. King, Jr., ESEE  
Mai Ngo, ESEE  
Christopher Brown, LSEL

NON-CPSC PARTICIPANTS:

Joel Gittelson, General Electric Co. (GE)  
Edward McInerney, GE  
Norman Chiu, GE  
Martin Vink, GE  
Jeffrey Wood, GE

SUMMARY:

This meeting was requested by Mr. King to review household range technology with range designers at the General Electric Company (GE). The meeting was closed to the public because proprietary information was discussed.

Representatives of GE provided a review of technical developments related to the company's electric range products. The GE staff responded to questions from the CPSC staff related to various technologies that could have application to ranges for the purpose of reducing cooking fires.
