

US Consumer Product Safety Commission
Log of Meeting

Subject: ASHRAE Flammable Refrigerant Odorant Project

Date: October 17, 2018

Location: Teleconference

Prepared By: Scott Ayers (sayers@cpsc.gov, 301-987-2030), October 17, 2018

CPSC Attendees: Scott Ayers

Non-CPSC Attendees:

Contact Marc Scancarello of Emerson (marc.scancarello@emerson.com) for a detailed list of attendees.

Summary of Meeting:

Contact Marc Scancarello of Emerson (marc.scancarello@emerson.com) for detailed notes.

Jensen Hughes has been contracted by ASHRAE to study odorants in A2Ls and A3 refrigerants and produce a whitepaper.

- The work will be conducted in three tasks
 - Literature review (focusing on health, fire corrosivity and other hazards on options that do not change the current ASHRAE classification of a refrigerant)
 - Identification of viable options (odorants used for other flammable gases, compatibility, other concerns)
 - Development and implementation process outline
 - The contractor is working on all three tasks in parallel and has not completed any of the tasks yet
- The next meeting is scheduled for Thursday, November 8, 2018 at 2pm EST
