

LOG OF MEETING
DIRECTORATE FOR LABORATORY SCIENCES

SUBJECT: Meeting with ASTM F02 Subcommittees on Child Resistant Closure Subjects

DATE OF MEETING: October 28, 2020

PLACE OF MEETING: Teleconference

LOG ENTRY SOURCE: Mark Eilbert (LSM)

COMMISSION ATTENDEE: Mark Eilbert (LSM)

NON-COMMISSION ATTENDEES: Contact ASTM for attendee lists.

SUMMARY OF MEETING:

Subcommittee ASTM F02.50 Package Design and Development discussed several standards requiring review, including many in the medical and food industries that address flexible packaging. A work item was announced for a new standard to address the *Relationship between Primary Barrier Packaging Material Attributes and Performance*.
