

CPSC Meeting Log

Subject: ASTM F15.21 F2549 Frame Child Carriers task group meeting

Date of Meetings: November 02, 2020 at 2PM EST

Place of Meeting: Teleconference

Log Entry Source: Kevin Lee (ESMC)

Commission Attendees: Kevin Lee (ESMC)

Non-Commission Attendees: Contact ASTM for attendee list.

Summary of Meeting:

The task group agreed to the following:

- Loading the frame carrier's highest pockets with the maximum recommended weight in the instructions during the stability test
- Recommending manufactures state the maximum weight in the frame carrier's storage pockets

The task group will present the recommendations to the subcommittee before balloting it.

The next subcommittee meeting will be November 9th, 2020
