

Meeting Log

Product: Fireworks

Subject: American Pyrotechnics Association (APA) Winter Educational Conference

Location: Park MGM, Las Vegas, NV

Date: February 11-14, 2019

CPSC Attendee: Rodney Valliere

Non-CPSC Attendees: Contact APA for information on other attendees

Entry Date: February 27, 2019, submitted by Rodney Valliere

Meeting Summary: CPSC staff attended the standards committee meeting where APA provided an update on APA 87-1A, B, and C. The Department of Transportation (DOT) is currently reviewing comments associated with the notice of proposed rulemaking incorporating APA 87-1A, B, and C by reference. DOT tentatively expects the final rule to be published in summer 2020. Staff also participated in roundtable discussions where technical questions were answered.
