Summary of Meeting:

Contact UL for more information about this meeting

This is a task group meeting of UL STP 30, which is tasked with developing the language for the new joint standard incorporating UL 30, UL 1313, and ULC ORD-30 together, which all cover flammable liquid containers. This meeting was a continuation of previous meetings in January, February, March, and April.

This meeting first focused on providing feedback to a revised FMD proposal. The meeting then focused on the fire performance tests of materials and then other construction requirements.

The next meeting will be via teleconference on Friday June 19, 2020 from 10:00am to 12:00 pm ET.
