Log of Meeting

Subject: UL Hyperthermia Labeling Task Sub-Group Meeting

Date of Meeting: September 28th, 2020

Log Entry Source: Zachary Foster

Date of Log Entry: September 30th, 2020

Location: Teleconference

CPSC Attendee(s): Zachary Foster, Arthur Lee

Non-CPSC Attendee(s): Contact UL for a list of non-CPSC attendees

Summary of Meeting: First meeting of task sub-group to discuss how to address hyperthermia hazards associated with electric room/space heaters through labeling requirements. Task group discussed what specific hazards need to be addressed, who the messaging should target (at-risk population), and potential standards to use as templates for placement, formatting, and contents. Task group will continue to work to develop labeling requirements.
