

MEETING LOG

SUBJECT: ASTM F15.17 Infant Walker Subcommittee Meeting

FY 23 OP PLAN ENTRY: Infant Walkers

DATE OF MEETING: 05/21/2024

LOCATION OF MEETING: Virtual and In-Person at ASTM Headquarters (West Conshohocken, PA)

CPSC STAFF FILING MEETING LOG: Benjamin Mordecai

FILING DATE: 06/13/2023

CPSC ATTENDEE(S): Virtual: Benjamin Mordecai (LSM), Jill Hurley (ESHF), Susan Bathalon (EXHR), Ashley Johnson (HSPP), Suad Wanna-Nakamura (HSSP); In-Person: Jacqueline Campbell (EXHR), Daniel Taxier (ESMC)

NON-CPSC ATTENDEE(S): Contact Molly Lynyak of ASTM for a complete list of attendees.

Summary of Meeting:

The subcommittee chair discussed the most recent summary incident data provided by the CPSC. The chair requested that the CPSC provide redacted incident information in order to further analyze the data to determine if the standard needs to be updated, particularly for issues related to structural integrity and stability.

Next Steps:

CPSC staff to provide redacted incident data, and future meetings to be scheduled as necessary.
