**RE:** Freedom of Information Act Request #23-F-00552: Proposals, Statements of Work, and Memoranda regarding Agreements/Contracts with University of Arkansas regarding Dr. Erin M. Mannen's "Biomechanical Analysis of Inclined Sleep Products" (Date Range for Record Search: From 9/1/2018 To 9/1/2019)

Dear Mr. Sanjabi:

Thank you for your Freedom of Information Act (FOIA) request seeking the above-referenced information from the U.S. Consumer Product Safety Commission (CPSC). On September 27, 2023, we issued a response to your request. On October 29, 2023, you emailed CPSC to inquire about a potential deficiency in CPSC's response to FOIA Request 23-F-00552. CPSC conducted another search of our files. Enclosed, in supplemental response to your request, please find copies of the proposal for Dr. Erin Mannen's 2018-2019 study titled "Biomechanical Analysis of Inclined Sleep Products" (Solicitation No. 61320618Q0200, Contract No. 61320618P0052).

CPSC considered the foreseeable harm standard when reviewing these records.

If you need any further assistance, or you would like to discuss any aspect of your request, please contact me, or one of CPSC's FOIA Public Liaisons, Korinne Super ([ksuper@cpsc.gov](mailto:ksuper@cpsc.gov)) or Robert Dalton ([rdalton@cpsc.gov](mailto:rdalton@cpsc.gov)), via email or at 1-800-638-2772.

*Fees.* We are not charging you fees in this instance per our regulations that no fee will be charged when the total fee is equal to or less than \$25. See 16 CFR § 1015.9(g)(2)(vii).
