<ul style="list-style-type: none">• Andy Kireta, ASTM International President• Molly Lynyak, ASTM International Manager, Technical Committee Operations• Jeff Grove, ASTM International Vice President - Global Policy, Cooperation and Communications

MEETING NOTES:

After the meeting, ASTM provided the following summary.

The meeting was an introduction of the new ASTM International President to the CPSC Chair. The discussion covered the use and reliance of voluntary standards to address consumer product safety hazards in areas such as juvenile products, toys, adult safety, and emerging hazards such as PFAS. Potential areas and ideas for increased consumer participation and training were discussed as well as challenges with developing complex safety standards.
