20-F-00328	Pursuant to the federal Freedom of Information Act, 5 U.S.C. § 552 et seq., I am requesting information about your agency's policies regarding ex parte meetings during rulemaking. For additional background on the subject of ex parte meetings, it may be useful to refer to a recent report and related materials by the Administrative Conference of the United States' report on ex parte meetings. Specifically, I am interested in the following: Does your agency have a written policy governing ex parte communications during rulemaking? If your agency does have a written policy, is it possible to find on your agency's website or somewhere else on the internet? If your agency does have a written policy, I am requesting a copy of that policy. Moreover, regardless of whether there is an informal or formal policy about ex parte meetings during rulemaking, I am interested in clarification about record-keeping relating to these meetings and also accessibility of these records. Does your agency create any logs/records of who has participated in ex parte meetings and what subjects have been discussed?	FOIA	Yale University
