

MEMORANDUM

April 16, 2020

TO: All Employees, U.S. Consumer Product Safety Commission

FROM: Acting Chairman Robert Adler

SUBJECT: CPSC Policy on Equal Employment Opportunity and Discrimination

---

The U.S. Consumer Product Safety Commission (CPSC) is fully committed to ensuring equal employment opportunities and a level playing field for all employees and applicants. We are also committed to laws preventing and prohibiting unlawful discrimination in management decisions and personal practices, including, but not limited to, recruitment, hiring, merit promotion, reassignments, training and career development, appraisal and awards, benefits, and separation. Each employee plays a role in maintaining diversity and inclusion by complying with EEO laws and principles, as well as demonstrating respect for others.

Unlawful employment practices violate EEO laws and merit system principles and will not be tolerated. CPSC employees and applicants are protected by federal laws, executive orders, and other authorities barring discrimination and harassment based on race, color, religion, national origin, sex (including pregnancy, sexual orientation, and gender identity), age (40 or older), disability (physical or mental), genetic information, and retaliation for participation in EEO activity or opposition to discrimination. All employees or applicants who believe they have been discriminated against can exercise their right to engage in protected EEO activity without fear of retaliation.

CPSC continually seeks to attract, develop, and retain a highly skilled workforce that delivers results. I am committed to ensuring a qualified agency workforce that reflects our nation. I would like to underscore my pledge to continually advance the goals of diversity and inclusion. It is important to me that CPSC is an environment where collaboration, innovation, flexibility and fairness support diversity and inclusion throughout the agency and all individuals are able to participate and contribute innovatively and enthusiastically.

We must all work together to demonstrate fairness, cooperation, and respect toward our colleagues and stakeholders. Each of us is responsible for creating an environment where we treat every employee with respect, dignity, and professionalism.

Questions and additional information on this policy may be directed to Brittany Woolfolk, Director, EEO and Minority Enterprise, at (301) 504-7596.
