

MEETING LOG

SUBJECT: Meeting with GenTent Safety Canopies, LLC (GenTent)

FY 24 OP PLAN ENTRY: Portable Generators

DATE OF MEETING: 5/7/2024

LOCATION OF MEETING: Rockville, MD

CPSC STAFF FILING MEETING LOG: Janet Buyer

FILING DATE: 5/8/2024

CPSC ATTENDEE(S): Janet Buyer (ESMC), Matthew Brookman (LSM), Caroleene Paul (ESMC), Andrew Trotta (ESFS), Rodney Valliere (EXHR), Rik Khanna (EXHR)

NON-CPSC ATTENDEE(S): Mark Carpenter and Brian Thomas of GenTent, Ed Krenik (Bracewell), Dane Pederson (Bracewell)

Summary of Meeting:

Mark Carpenter and Brian Thomas from GenTent presented information on their flame resistance testing of generator tent canopies and running covers that are advertised to protect the generator from precipitation while the generator is in use. GenTent is seeking staff advice on possible approaches for getting performance requirements adopted in a safety standard that will address the potential flammability hazard associated with use of these products.
