

U.S. Consumer Product Safety Commission

LOG OF MEETING

SUBJECT: Phthalates

DATE: March 23, 2010

TIME: 10:00 a.m. to 11:30 a.m.

PLACE: CPSC Headquarters

ENTRY SOURCE: Michael A. Babich, HSHS

COMMISSION REPRESENTATIVES: Carol Afflerbach, Michael Babich, Kent Carlson, Michael Greene, Lori Saltzman, Treye Thomas, Dominique Williams, Marilyn Wind.

EXXON-MOBIL REPRESENTATIVES: Ammie Bachman, Robert Barter, Carl Bentzel (DCI Group. LLC), Matthew Cohen, Mintz Levin; Quin Dodd (Mintz Levin), Worth Jennings

OTHER NON FEDERAL REPRESENTATIVES: Ray David, BASF; Mary Foley, Product Safety Letter; Megna Rajagopaian, New America Foundation.

SUMMARY:

The meeting was requested by ExxonMobil. Following introductions, Dr. Bachman described a cumulative risk assessment for total phthalate exposure, which was conducted by ExxonMobil Biosciences. The slides are attached. A general discussion followed. The CPSC staff asked a number of questions about the ExxonMobil risk assessment. ExxonMobil representative agreed to provide citations for the data used in the assessment (hazard endpoints) and to provide robust data summaries.
