- Follow safety information on packages, and choose toys that match your child's abilities.
- Get safety gear and ensure it's worn properly at all times and sized to fit.
- Keep small balls and toys with small parts away from children younger than age 3.

Cooking

- Never leave food unattended on the stove or in the oven.
- Keep flammable items away from the stove and oven.
- Fry a turkey outside only, and away from your home and do not overfill the oil in the turkey fryer.

Decorating

- Keep your live Christmas tree well-watered and look for the "Fire Resistant" label when buying an artificial tree.
- Place burning candles away from flammable items, and blow them out before leaving the room.
- Only use lights tested for safety and throw out sets with broken sockets, or frayed wires.
