Toys

⚠ WARNING:
CHOKING HAZARD — Small parts not for children under 3 years or any individuals who have a tendency to place inedible objects in their mouths.

🚫 0-3

- To prevent choking or other hazards, only give your children toys that are meant for their age. How do you know what age? Look for the label on the toy.

- Keep toys for older children away from the younger ones.

- Toys must have age labels if the toy is a choking hazard for children under 3 years old.
