ITEM:

ASTM's Revisions to Safety Standard for Non-Full-Size Baby Cribs and Play Yards  
(Briefing package dated October 2, 2019 OS# 3958)

DECISION:

The Commission voted unanimously (5-0) to approve publication of a notice in the *Federal Register*, as drafted, to issue a direct final rule updating the incorporation by reference of the ASTM standard cited in the Commission's rules for non-full-size baby cribs in 16 CFR part 1220 and play yards in 16 CFR part 1221. Under the Consumer Product Safety Improvement Act of 2008, revised voluntary standards automatically are considered consumer product safety standards, unless the Commission determines and notifies the voluntary standards organization that the revised voluntary standard "does not improve the safety of the consumer product."
