PRESENT: Chairman Simpson
Commissioner Kushner
Commissioner Newman
Commissioner Pittle

Agenda Item

Extension of Standard on Lead
Content in Paint

Decision

To avoid being without a standard on the allowable percentage of lead in paint, the termination date for the existing standard which places a maximum of 0.5% lead content is extended from 31 December 1973 to 31 December 1974.

Voting for: Simpson, Kushner, Newman, Pittle

FOLLOWUP

General Counsel's Office and the Secretary's Office shall prepare the appropriate Federal Register notice.
