**STATEMENT OF WORK  
NEISS Coder Conference/Training Seminar**

**I. BACKGROUND**

The U.S. Consumer Product Safety Commission (CPSC) is seeking a facility to hold two *National Electronic Injury Surveillance System* (NEISS) Coder Training Seminars during the period of July 24, 2017 through July 27, 2017 in Montgomery County, Maryland. One NEISS Coder Training Seminar will be for NON-TRAUMA coders; the second will be for ALL-TRAUMA coders. While the audiences are different for both of these NEISS Seminars, there will be overlap on one day.

- a) The NON-TRAUMA seminar will have approximately 60-75 attendees.
- b) The ALL-TRAUMA seminar will have approximately 75-100 attendees.
- c) The percentage of federal v. contractor attendees for both seminars is expected to be about 40% federal (CPSC and non-CPSC) staff and 60% CPSC contractor staff.

**II. OBJECTIVE**

The CPSC staff is conducting biennial NEISS training for NEISS hospital coders. This training seminar provides a unique opportunity for the exchange of information regarding the latest NEISS coding procedures to a wide audience of coders. In addition to presentations by CPSC staff, guest speakers from our partner agencies (including, but not limited to, CDC, FDA, and NIOSH) will also be presenting pertinent coding information to the coders.

**III. AUTHORITY**

The Consumer Product Safety Act requires the maintenance of a National Injury Information Clearinghouse “to collect, investigate, analyze and disseminate injury data and information relating to the causes and prevention of death, injury and illness associated with consumer products...” (CPSA, Section 15 U.S.C. § 2054(a)(1)).

**IV. CONTRACT TYPE**

This is firm fixed price contract for the services incurred and described in the Description of Work.

**V. DESCRIPTION OF WORK**

Independently, and not as an agent of the government, the Contractor shall provide all labor, material and equipment necessary to meet the requirements of the contract.

**All of the following criteria are mandatory in the selection process.**

The Contractor shall provide the following:

The location of the contractor, hereinafter the “hotel,” shall be in Montgomery County, Maryland, within 7.5 miles driving distance of CPSC Headquarters in Bethesda, MD.

The location of the hotel shall be within 0.2 miles walking distance of a Metro Station between the Friendship Heights Metro Station and the Twinbrook Metro Station, on the “Red Line.” The walking distance shall be calculated using safe hard surface pedestrian walkways/pathways and legal crossing locations. For purposes of this contract, pedestrian crossing locations controlled by stops signs with marked crosswalks or traffic signals with marked crosswalks and pedestrian signals will be considered safe (in comparison to unmarked crosswalks or uncontrolled intersections). This distance shall be from one of the hotel building’s entrances to the Metro Station entrance, not to the edge of Metro property.

The hotel shall offer ample, secured parking for all attendees (both hotel guests and local attendees) who drive to the facility location.

The hotel shall provide hotel sleeping rooms at the government rate and tax exempt up to the maximum for each of the following nights:

- July 24 (Monday) – 45 sleeping room maximum
- July 25 (Tuesday) – 75 sleeping room maximum
- July 26 (Wednesday) – 60 sleeping room maximum
- July 27 (Thursday) – 45 sleeping room maximum

These numbers of hotel sleeping rooms are an estimate; an actual hotel sleeping room number shall be provided pursuant to the below paragraph.

The final rooming list for hotel sleeping rooms shall be provided to the hotel by CPSC by 5:00 pm on Tuesday July 18, 2017. The rooming list shall be provided by CPSC to the hotel in an excel spreadsheet. Any rooms canceled before 5:00 pm on July 18, 2017 shall result in no additional cost to the government. The government rate shall apply to any additional rooms CPSC requests after that date.

The hotel shall provide meeting space on July 25-26-27, 2017. The meeting space shall be available to CPSC between 7:00 am and 6:00 pm on July 25-26-27, 2017. The meeting space shall be secured overnight by the hotel.

The meeting space shall be amphitheater-style seating OR classroom-style seating for up to 100 people. Preference is given for amphitheater-style seating, defined as seating with flip-up desktops that is arranged in sloping tiers or risers so that attendees in the back can see over the heads of those in front; without obstructed view. If classroom-style seating, the room must be arranged horizontally (across the width of the room rather than the length of the room) so that the rows are wide, rather than long and narrow. This will enable all attendees to more easily see to the front of the room.

There shall be internal access to the meeting space from the hotel (i.e., attendees shall not need to go outside into the elements to access the meeting room).

The meeting package room setup requirements shall include but not be limited to:

- Head table with three (3) chairs;
- Two (2) push-to-talk microphones;
- Podium with microphone;
- Wireless microphone with stand;
- Computer data display package to include projector, projection stand, screen, and all necessary wires/cable/power cords, plus set up and removal (CPSC shall provide the laptop computer);
- Functional Internet connection in the meeting room as well as directly outside the meeting room; and
- One registration table and two chairs directly outside the meeting room for use by a CPSC on-site meeting coordinator.

The hotel shall provide a kiosk or café where attendees may purchase refreshments, at no additional cost to the government, at the discretion of the hotel.

The hotel shall provide a minimum of two functional Internet connections for concurrent in the meeting room and at the registration table.
