

Currency Conversion

Pursuant to section 773(A) of the Act and 19 CFR 351.415, we converted amounts expressed in foreign currencies into U.S. dollar amounts based on the exchange rates in effect on the dates of the relevant U.S. sales, as certified by the Federal Reserve Bank.

Preliminary Results of Review

As a result of our review, we preliminarily determine that the weighted-average dumping margin for merchandise produced and exported by Villares Metals S.A. is 4.07 percent for the period February 1, 2009, through January 31, 2010.

Disclosure and Public Comment

We will disclose the calculations used in our analysis to parties in this review within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b). Any interested party may request a hearing within 30 days of the publication of this notice in the **Federal Register**. See 19 CFR 351.310. If a hearing is requested, the Department will notify interested parties of the hearing schedule.

Interested parties are invited to comment on the preliminary results of this review. The Department will consider case briefs filed by interested parties within 30 days after the date of publication of this notice in the **Federal Register**. 19 CFR 351.309(c). Interested parties may file rebuttal briefs, limited to issues raised in the case briefs. See 19 CFR 351.309(d). The Department will consider rebuttal briefs filed not later than five days after the time limit for filing case briefs. Parties who submit arguments are requested to submit with each argument a statement of the issue, a brief summary of the argument, and a table of authorities cited. Further, we request that parties submitting written comments provide the Department with a diskette containing an electronic copy of the public version of such comments.

We intend to issue the final results of this administrative review, including the results of our analysis of issues raised in the written comments, within 120 days of publication of these preliminary results in the **Federal Register**.

Assessment Rates

The Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b)(1), we have calculated importer/customer-specific assessment rates for these preliminary results of review. For sales where VMSA reported entered value, we divided the total dumping margins (calculated as

the difference between normal value and EP) for the reviewed sales by the total entered value of those reviewed sales for each reported importer or customer. For sales where entered value was not reported, we divided the total dumping margins for each exporter's importer or customer by the total number of units the exporter sold to that importer or customer. We will instruct CBP to assess the resulting importer/customer-specific ad-valorem rate or per-unit dollar amount, as appropriate, on all entries of subject merchandise made by the relevant importer or customer during the POR. See 19 CFR 351.212(b).

The Department clarified its "automatic assessment" regulation on May 6, 2003. This clarification will apply to entries of subject merchandise during the POR produced by VMSA for which VMSA did not know its merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries of VMSA-produced merchandise at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. For a full discussion of this clarification see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

The Department intends to issue liquidation instructions to CBP 15 days after the publication of the final results of review.

Cash-Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of SSB from Brazil entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2)(C) of the Act: (1) The cash-deposit rate for VMSA will be the rate established in the final results of this review; (2) for previously reviewed or investigated companies not listed above, the cash-deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation but the manufacturer is, the cash-deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; (4) if neither the exporter nor the manufacturer has its own rate, the cash-deposit rate will be the all-others rate for this proceeding, 19.43 percent. See *Notice of Final Determination of Sales at Less Than Fair Value: Stainless Steel Bar From*

Brazil, 59 FR 66914 (December 28, 1994). These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

These preliminary results of administrative review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: October 27, 2010.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.

BILLING CODE 3510-DS-P

CONSUMER PRODUCT SAFETY COMMISSION

Notice of Teleconference of the Chronic Hazard Advisory Panel on Phthalates and Phthalate Substitutes

AGENCY: Consumer Product Safety Commission.

ACTION: Notice of meeting.

SUMMARY: The Consumer Product Safety Commission ("CPSC" or "Commission") is announcing a teleconference of the Chronic Hazard Advisory Panel (CHAP) on phthalates and phthalate substitutes. The Commission appointed this CHAP to study the effects on children's health of all phthalates and phthalate alternatives as used in children's toys and child care articles, pursuant to section 108 of the Consumer Product Safety Improvement Act of 2008 (CPSIA) (Pub. L. 110-314). The CHAP will discuss possible risk assessment approaches for phthalates and phthalate substitutes.

DATES: The teleconference will take place at 5 p.m. GMT (12 p.m. EST) on Wednesday, November 15, 2010. Interested members of the public may listen to the CHAP's discussion. Members of the public will not have the opportunity to ask questions, comment, or otherwise participate in the teleconference. Interested parties should contact the CPSC project manager,

Michael Babich, by e-mail (mbabich@cpsc.gov) for call-in instructions no later than November 4, 2010.

FOR FURTHER INFORMATION CONTACT: To request access to the teleconference, contact the project manager by e-mail at mbabich@cpsc.gov, no later than Thursday, November 4, 2010. For all other questions, contact: Michael Babich, Directorate for Health Sciences, Consumer Product Safety Commission, Bethesda, MD 20814; telephone (301) 504-7253; e-mail mbabich@cpsc.gov.

SUPPLEMENTARY INFORMATION: Section 108 of the CPSIA permanently prohibits the sale of any “children’s toy or child care article” containing more than 0.1 percent of each of three specified phthalates: Di- (2-ethylhexyl) phthalate (DEHP), dibutyl phthalate (DBP), and benzyl butyl phthalate (BBP). Section 108 of the CPSIA also prohibits, on an interim basis, the sale of any “children’s toy that can be placed in a child’s mouth” or “child care article” containing more than 0.1 percent of each of three additional phthalates: diisononyl phthalate (DINP), diisodecyl phthalate (DIDP), and di-*n*-octyl phthalate (DnOP).

Moreover, section 108 of the CPSIA requires the Commission to convene a CHAP “to study the effects on children’s health of all phthalates and phthalate alternatives as used in children’s toys and child care articles.” The CPSIA requires the CHAP to complete an examination of the full range of phthalates that are used in products for children and:

- Examine all of the potential health effects (including endocrine disrupting effects) of the full range of phthalates;
- Consider the potential health effects of each of these phthalates, both in isolation and in combination with other phthalates;
- Examine the likely levels of children’s, pregnant women’s, and others’ exposure to phthalates, based on a reasonable estimation of normal and foreseeable use and abuse of such products;
- Consider the cumulative effect of total exposure to phthalates, both from children’s products and from other sources, such as personal care products;
- Review all relevant data, including the most recent, best-available, peer-reviewed, scientific studies of these phthalates and phthalate alternatives that employ objective data collection practices or employ other objective methods;
- Consider the health effects of phthalates not only from ingestion but also as a result of dermal, hand-to-mouth, or other exposure;
- Consider the level at which there is a reasonable certainty of no harm to children, pregnant women, or other susceptible individuals and their offspring, considering the best available science, and using sufficient safety factors to account for uncertainties regarding exposure and

susceptibility of children, pregnant women, and other potentially susceptible individuals; and

- Consider possible similar health effects of phthalate alternatives used in children’s toys and child care articles.

The CHAP’s examination must be conducted de novo, and the CPSIA contemplates completion of the CHAP’s examination within 18 months of the CHAP’s appointment. The CHAP must review prior work on phthalates by the Commission, but it is not to be considered determinative.

The CHAP must make recommendations to the Commission regarding any phthalates (or combinations of phthalates) in addition to those identified in section 108 of the CPSIA or phthalate alternatives that the panel determines should be prohibited from use in children’s toys or child care articles or otherwise restricted. The CHAP members were selected by the Commission from scientists nominated by the National Academy of Sciences. See 15 U.S.C. 2077, 2030(b).

The CHAP previously met April 14 and 15, 2010, and July 26 and 28, 2010, at the Commission’s offices in Bethesda, MD. The CHAP is holding a teleconference on November 15, 2010, in preparation for its next meeting December 2 through 3, 2010. The November teleconference and December meeting will include discussions of possible risk assessment approaches.

Dated: October 29, 2010.

Todd A. Stevenson,

Secretary, Consumer Product Safety Commission.

BILLING CODE 6355-01-P

DEPARTMENT OF DEFENSE

Office of the Secretary

[Docket ID: DoD-2009-OS-0163]

Proposed Collection; Comment Request

AGENCY: Office of the Assistant Secretary of Defense for Public Affairs, DoD.

ACTION: Notice.

SUMMARY: In compliance with section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Office of the Assistant Secretary of Defense for Public Affairs announces the proposed extension of a public information collection and seeks public comment on the provisions thereof. Comments are invited on: (a) Whether the proposed collection of information is necessary

for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by January 3, 2011.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the instructions for submitting comments.

Mail: Federal Docket Management System Office, 1160 Defense Pentagon, Room 3C843, Washington, DC 20301-1160.

Instructions: All submissions received must include the agency name and docket number for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the Internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to the Office of the Assistant Secretary of Defense for Public Affairs, ATTN: CR&PL (Mr. David Nokes), 1400 Defense, The Pentagon, Washington, DC 20301-1400, or call the Directorate for Community Relations and Public Liaison at (703) 695-2113.

Title; Associated Form; and OMB Number: Request for Department of Defense Participation in Public Events (Non-Aviation), DD Form 2536 and Request for Department of Defense Aircraft Participation in Public Events, DD Form 2535; OMB Number 0704-0290.

Needs and Uses: This information collection requirement is necessary to evaluate the eligibility of events to receive Department of Defense community relations support and to determine whether requested military assets are available.

Affected Public: Individuals or households; State or local governments; Federal agencies or employees; non-profit institutions.
